SLAZENGER

THE PIRATES OF 1974

Kneeling, Left to Right: Tony Fox, Roger Weber, Ike Williams, Mike Denny, Harold McClendon **Standing, Left to Right:** Assistant Coach Bobby Welch, Artie Johnson, Sonny Powell, Ernie Lorenze, Skippy Hancock, Lamar Kirkley, Head Coach Bill Alexander

The South Atlantic Conference was tough. Tough enough to stop the Pirate Express. The season saw a city championship with a win over Savannah State, an upset of national power Kentucky State, Two victories over rival Valdosta State, and a championship Trophy from the Kiwanis Tournament. Not to mention All-American Ike Williams finally being recognized as an All-American. But soon to be National Champion West Georgia rocked the boat and the Pirates finished the season with an impressive and exciting 18-8 record.

Coaches: O'Hara English, Bill Alexander, and Bobby Welch

Front Row, L-R: Glenn Zettler, Gerry Graham, Wendell Smith, Rick Coleman, Steve McNeill, Linn Burnsed, Tommy Bumgardner, Bruce Coleman, Tony Wolfe. **Second Row, L-R:** Frankie Moore, Craig Tharpe, Jerry McNair, David Barnhill, Joey Miller, Manager, Chuck Thomas, Tom Yarbrough, Ned Durden. **Third Row, L-R:** Greg Sims, Bat Boy, Randy Thomas, Jimmy Sikes, John Snelling, Lawrence Maner, Pat Holland. **Back Row, L-R:** Coach Tom Kinder, Warren Heller, Assistant Coach Danny Simons and Student Assistant Jim Harte.

1974 was perhaps the best year ever for the Baseball Pirates. Coach Tom Kinder's team set a record for victories in a single season, 24, and were in a season-long dogfight with Valdosta State for the South Atlantic Conference Championship.

The Pirates lacked the offensive push of many of the teams they played and beat, but the young pitching staff and the defensive play of the nearly all-freshman infield was enough to put the Pirates on the top end of the score most of the time.

It was also a year to say goodby to four seniors who have been key members of the team for the past four years. Outfielders Linn Burnsed and Steve McNeill, Pitcher Pat Holland, and First Baseman Tom Yarbrough closed out their brilliant careers with banner senior seasons. Burnsed finished his four years as a starter with the school record for career home runs and a broken ankle suffered in the next to last game of the season against West Georgia. McNeill set more than 25 offensive records during his career and, along with sophomore pitcher Tom Bumgardner, was named to the South Atlantic Conference All-Star team. He was also voted the team's Most Valuable Player for the third straight year by his teammates. Holland, a starting pitcher for four straight years, finished with some of the most impressive pitching credentials in the history of ASC and Yarbrough's bat was always potent in clutch situations over his three-year career.

Replacing those four players is Kinder's biggest problem for the future, but he will have a nucleus of good young ball players to start the new season with, including Bruce Coleman (3B), Tony Wolfe (SS), Jerry McNair (2B), David Barnhill (C), Chuck Thomas (IF), John Snelling (OF), and Wendell Smith (OF). The pitching should be even better next year with the entire staff returning except for the graduating Pat Holland.

GOLF

Left to Right: Chip Chambers, Tom Carlisle, John Growtheer, David Thornton, Cody McCarthy, Jimmy Strickland, Pat Brinson, Bob MacLaurin

The Armstrong golfers continued the winning tradition at Armstrong during the spring of 1974 when they compiled an impressive 27-7 record. The Pirates were 4-1 in conference play and finished second to Columbus College in the SAC tournament. ASC held a seven-stroke lead after the first round of the tournament, but faltered on the final day to lose to Columbus. Chip Chambers had the lowest seasonal average, 77.0, on the team and Bob MacLaurin and Tom Carlisle won All-Conference honors based on their play in the conference tournament. Bob shot the second lowest tournament score of 150 and Tom was seventh with a 153 total.

There were no seniors on the 1974 golf team and coach Bobby Welch expects the team to be even stronger in 1975 than they were in 1974, a fact that is yet to be proven.

Left-Right; Front Row: Mike McCloy, Jimmy Ray, Gary Filas, Randy Thomas, Tim Garrett **Left-Right; Back Row:** Gary Calhoun, Larry Beasley, David Hotchkiss, Joey Miller, Tommy Rawls Not Shown: Vic Martin, Ray Fochler, Doug Shonta. Coached by George Bedwell

The 1973-74 team finished with the finest season of any previous bowling team. The list of accomplishments include:

Seventh place in National Intercollegiate Bowling Tournament against major university competition.

Champions of Savannah Invitiational Intercollegiate Bowling Tournament.

Runnerup Association College Unions Southeastern Regional Bowling Tournament.

Runnerup Georgia ACU-I tournament.

Runnerup division II Southern Intercollegiate Bowling Conference.

Fourth place S.I.B.C. tournament.

The ASC team was ranked seventh in the nation among all colleges and Universities and was recognized as one of the finest teams in the South.

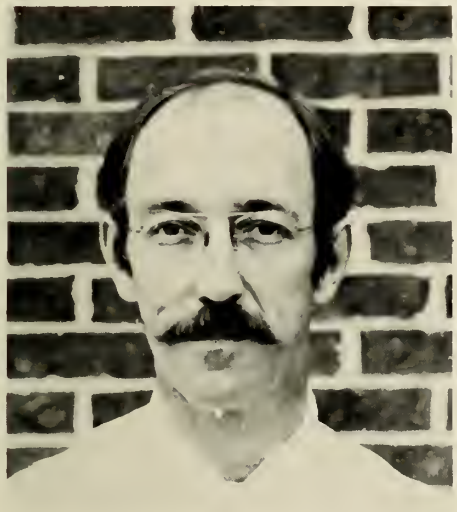
The 1973 Cross Country team proved to be the best ever at Armstrong. There were several returning runners, and some fine new first year runners to round out the team. John Carroll became the first Armstrong Four-year letterman at Cross Country, covering in the process some 4,000 to 5,000 miles in practice. Rick Heaton, last year's Scholar Athlete of the year, together with Pat O'Brien and Art Estes were standouts among the more experienced runners.

Two very pleasant surprizes "walked on" in the persons of Rex Gonnsen and Mike Dallas, both service veterans, who proved that old men can still excel at a demanding sport, and after only a few weeks practice blended in well with their younger brothers.

The team had its usual one-week pre-seasonal training camp to launch the new season, winding up with the Annual Stone Mountain Race in Decatur. In other competition the team placed a highly commendable third in their conference, nudged out narrowly from second place by Valdosta; and at the Annual Peachbowl Marathon in Atlanta, placed second in the college division.

There will be several gaps in next year's team that will be hard to fill. John Carroll has completed his eligibility to run, but will still be at Armstrong. Art Estes found Cross Country too tame for him and is now in the Air Force, though he hopes to return in the future. Pat O'Brien is footslogging the entire length of the Appallachian Trail on a two-dollar bet; and Rex Gonnsen is plounghing up a large area of Florida landscape on his family farm. We wish them all well — its was wonderful having you all on the team!"

Coach: Dr. Cedric Stratton



Left to Right: Rex Gonnsen, Mike Dallas, Rick Heaton, John Carroll, Pat O'Brien, Art Estes

Coach O'Hara English

Armstrong State College fielded its first intercollegiate tennis team since 1967 in the spring of 1974 and the six person team under the direction of Coach O'Hara English compiled an impressive 8-3 overall record, 5-1 in South Atlantic Conference matches. Five of the six players finished the season with 7-4 records, the sixth finished with a 6-5 record. Byrd Jones and Vernon Hardy combined to produce the best record in doubles matches, 8-3. Senior Bill Toffey was the teams's number one man all year and proved to be very effective against the opponent's best. Bill finished the season with a 7-4 record. Hilary Buzas, the only other senior on the team and the first female ever to earn a varsity letter at Armstrong, proved that Billie Jean King's victory over Bobby Riggs was no fluke. Playing against male competition, Hilary also finished with a 7-4 record. Gary Everett, 7-4, and Lane Nelson, 6-5, will join Jones and Hardy to form the nucleus of next year's team.

GAMMA RHO CHAPTER

Alpha Gamma Delta . . . all the way from Syracuse, New York in 1904 to year number four at Armstrong State College. Fun and work! Gamma Rho Chapter is active in most every facet of life. The chapter provides altruistic services by contributions to aid in the rehabilitation of minimal brain damaged children. Along with this, Gamma Rho extends other altruistic services in our own community.

The sisters of Gamma Rho serve and participate in many aspects of campus life. Several sisters are active in the Student Government Association. Numerous Alpha Gams have been named to Who's Who. Alpha Gams have also participated and placed in the Miss Geechee pageants. Other sisters have received top awards from local civic organizations.

Moving right along . . . Linda, you can't be in the middle all the time . . . SISTERHOOD . . . secret pals, be on time, terrific pledges, candlelighting, banquets, food and MORE food, Go team, Woman! Hey - Dee - Kay - Dee Alpha Gamma Delta Rah, Rah, Rah.

Alpha Gamma Delta — the reflection of many ideas, and the hope of projecting great goals and a great Fraternity.

PI KAPPA ALPHA

ETA MU CHAPTER

The ETA NU Chapter of Pi Kappa Alpha Fraternity was colonized on the ASC campus in 1970 for the establishment of a more lasting basis; for the promotion of brotherly, love, kind feeling, and understanding; for the mutual benefit and advancement of the interests of those with whom we sympathize and seem worthy of our regard.

The Pike's have extended their interests into numerous community, social and school activities, including endeavors such as a Halloween party for boys of Bethesda and the initiation of "Pack the Civic Center Night" in support of the Pirates. The "Trash Can Brigade" and the Homecoming Float of PKA add spirit on the Basketball Court. The Pike's are avid participants in all phases of the college like including the SGA Senate, Intramural Sports and ASC Season Ticket Drive.

Because of a spirit of unity, ambition, altruistic endeavor; Because we are first to have a good party and first to lend a helping hand; Because we are proud to be Pike's; we have made this the year for Pi Kappa Alpha at ASC.

GAMMA SIGMA CHAPTER

Founded on December 10, 1904 at the College of Charleston, Pi Kappa Phi Fraternity pervades all walks of campus life at Armstrong. After a highly successful Fall rush, the brothers are working industriously as well as harmoniously with all pledges in order to promote the boundless opportunities of brotherhood.

Beginning in the Fall with the Founder's Day Banquet, and culminating in the Spring with our annual Rose Ball, Gamma Sigma Chapter enjoys a well-rounded social life. Pi Kapps can be found in Student Government as well as on important campus committees, helping to stimulate and encourage vital student-faculty relationships. Nearing the end of our second year of chartering, Pi Kappa Phi is proud to be a part of Armstrong State College.

PHI KAPPA THETA

ALPHA CHI CHAPTER

Phi Kappa Theta was founded in 1899 resulting from the union of two local fraternities on the Lehigh and Brown University Campuses. With chapters located from East to West and North to South, the brothers of Phi Kappa Theta strive for leadership, high ideals, and brotherhood.

The fraternity was colonized on the Armstrong State College Campus October 1968. Since then the brothers have participated in activities which develop individuality while insuring group unity. The brotherhood of Alpha Chi Chapter is looking forward to a progressive year.

KAPPA OMICRON CHAPTER

Phi Mu, the second oldest national fraternity was founded at Weslyn College in Macon, Georgia in 1852 and became the first women's national fraternity founded here at Armstrong.

Love, Honor, and Truth, the three ideals of Phi Mu, are learned by each sister as she continues through college.

The wash board band, the Carnation Ball, the Hospital Ship S.S. Hope, the national philanthropy, as well as participation in cheerleading, the Buccaneers, Who's Who, campus organizations, Honor Council, and the Student Government are only a few ways Phi Mu spirit is shown.

Phi Mu has grown into a close bond of love and sisterhood which dwells in the heart of each Phi Mu.

Excitement is shared by each Phi Mu when a sister excells in beauty pageants, sweetheart titles and scholastic awards thus adding to the heritage of Phi Mu.

EPSILON SIGMA

Sigma Kappa, with her 1874 founding, is one of the oldest of the Greek letter organizations. Sigma Kappa has a diversity of national projects. The first is our Maine Sea Coast Mission, established in honor of our Maine founders. Countless boxes of gifts, clothing, and toys are donated to the underprivileged families of Maine. The American Farm School in Greece exemplifies education for women. Scholarships are awarded each year to this school. Sigma Kappa is the only national sorority that works with the elderly as a major philanthropy.

THETA PSI CHAPTER

Sigma Nu is a national fraternity with its headquarters located in Lexington, Virginia. There are over 185 Sigma Nu Chapters throughout the world and over 1200,000 initiated members.

On November 12, 1972 a colony of Sigma Nu Fraternity was founded here at Armstrong State. After less than a year's existence on campus, the colony met and surpassed all national criteria and was initiated as Theta Psi Chapter of Sigma Nu Fraternity on September 23, 1973.

On November 1, 1973 the new chapter moved into its first fraternity house. The house will play an important part in upcoming rush programs and other social activities.

The Theta Psi Chapter actively participates in intramurals and school sponsored projects.

Armstrong State College has instilled in me a sense of dedication, a feeling of worth, and a desire to perform for the good of others.

JAMES L. COOPER

President of American Chemical Society (1973-74)

Senator of SGA

Dean's Advisory Council

Armstrong has afforded me the possibility of participating in many things that no other institution of its kind could have offered. I thank her.

RICHARD B. EASSON

Finance Committee

President's Cabinet

Because of the many friends I made among the students, faculty and administration at Armstrong, learning became a very pleasant experience.

ANDREW H. ERNST

Honor Council

Senator of SGA

Statistician for A.S.C. basketball team

I learned that there is much more to getting an education than just studying textbooks. It is only through involvement and close association with one's fellow students that you learn about life.

TWILA C. HAYGOOD

Black American Movement — Organizer (1971-72)

Phi Alpha Theta — Historian (1972)

Honor Council

Armstrong has been instrumental in preparing me not only for a profession, but it has provided an atmosphere that I am sure to encounter in life.

KATHLEEN H. SWINFORD

Phi Mu Fraternity (Treasurer and Vice President)

ASC, its administration, faculty, and student body has given me a priceless gift — the ability to know myself.

MICHAEL R. McCLOY

SGA Senator

Honor Council

Outstanding Student Senator 1972-73.

Armstrong taught me the meaning of professionalism — the ability to do your best even when you feel your worst.

LENORA I. PORZIO

Armstrong Mathematics Assocation — President (1973-74)

Senator of SGA

Phi Mu Fraternity

ASC has given to me the most precious things in life; good friends, stimulating conversation, enjoyable activities, opportunities to develop as an individual, and a top-rate education.

JONATHAN E. REIMER

Vice President of American Chemical Society

Golden "A" Award

Senator of SGA

Armstrong has given me an excellent education as well as the opportunity to express myself in many interests.

C. RICHARD RIGGAR

Voice of the Pirates (1971-72, 1972-73)

Lecture-Concert Chairman

Traffic Committee Chairman

ASC is large enough that you can be only one of many students, but it is also small enough that you can get involved with and in many many aspects of college life that many students don't realize even exist. I feel that being involved has been a major part of the knowledge I have acquired at ASC.

L. GAIL SIMMONS
